Nostalgic scent!! Hahahahaha.... Smell of gun powder... I actually thought chitoge was the promise girl... Hahahaha

  • Reply • Share **Goekchae** • 2 years ago

So, I waited for this to be over before I started reading it because I already had my ship when I looked at the cover and it's really annoying when your ship sinks. Also, I hate harem/reverse harem so I need the promise of peaceful ending to help me through the drama. I'm still dropping this if there's stuff that feels too much like cheating though.
